To Whom It May Concern:

I have worked with Tim O'Brien on multiple projects over the last four years. Tim has shown nothing but professionalism during every one of our over 60 home site transactions. Since the early 1990's Tim has grown to be a leader in the Home Building Industry, his communication skills and vast knowledge of home creation is second to none.

Tim O'Brien has decided to use his knowledge and experience in the industry to create his own company, Tim O'Brien Homes. I am very excited for Tim's new venture along with his increasing participation in the Metropolitan Builders Association.

Sincerely,

Daniel Scardino
