To The Tim O'Brien Team,

I am writing to thank you for a wonderful experience that we had in the purchase of 15204 73rd Street, in Strawberry Creek.

I have been selling real estate for 22 years. I sell in both Wisconsin and Illinois. I have met thousands of sellers and buyers and have many, many good experiences.

My daughter, my son in law and granddaughter, Tony, Dawn and Kailey Duval; were moving done here from Green Bay. First I would like to say, I was ecstatic that they would live closer to us and I was excited about the opportunity I had to help them find their home.

We spent the week end looking at homes. They fell in love with the home in Strawberry Creek. What a blessing when the offer was accepted and the Duval's could begin their journey into the next chapter of their lives.

From the moment I had talked to Matt, to the closing, I was more and more impressed with the O'Brien team. From Matt to Pete to Wendy and Angela, everyone was a pleasure to work with. Tim O'Brien homes have a great team. Like I said earlier, I have been selling for a long time. I have never been so impressed with every aspect of Tim O'Brien and his team. We feel like family. I will tell everyone I know who might be looking for a home today or in the future. In today's rough economy and tough times, it was one of the smoothest deals I have had in my career. I have all ready told anyone who listens, what a great experience for my family and myself as a realtor. The Duval's are happy with their new home and getting settled. We are thrilled to have been able to have them closer to us and happy with their new lives.

Thank you Tim O'Brien and your team. It was a pleasure doing business with you and I hope to do more with your company in the future.

Thank you,

Debbie McNichols
